- English

Relevant experience

- His practice focuses on all aspects of Competition and Antitrust Law, including merger control proceedings, cartel investigations, dominance, and sector enquiries. Federico is also active in representing both national and international clients in antidumping investigations.
- During 2017 he worked as a Foreign Attorney in the Competition, Trade & Regulation practice at Herbert Smith Freehills (London), where he was mostly involved in advising clients on merger control issues with the antitrust authorities of several jurisdictions.
- He is a competition law graduate professor at the Austral University, and frequently lectures on competition law at a post-graduate level at Universidad Torcuato Di Tella, Universidad de Belgrano, and Universidad Nacional del Nordeste.
- He is a Commissioner of the Competition Law Committee of the City of Buenos Aires Bar Association.
- Federico is a Co-director of the Competition Law Section of *El Dial*.
